

## Principal Profile

**Principal Name:** Sixteenth Street Community Health Centers

**Business Or Interest:** Representing the interests of individuals who encounter barriers when seeking health care (or other community services) because of language, culture or economic status. Agency financial support is primarily derived from insurance reimbursement, state federal, local grants, corporate gifts and charitable donations.

**Lobbying Interests:** Public health and direct service provision of medical, behavioral health and oral health services to underserved populations. Medicaid administration and health care system changes, issues related to environmental health protection including lead poisoning prevention, sustainable community development and State Budget issues related to funding for Community Health Centers.
